
MOST OF US ARE PROBably now almost through shuddering from the first shock caused by the receipt of our current tax bills. But it took a spell to recover.

Tax bill day was a traumatic experience for most of us, although all of us have recognized the truth in that old adage that death and taxes are the only things certain in this world of ours. Both are equally hard to take.

But most of us, we think, were unprepared for the huge increase in $ $ $ that our tax bills reflected. Hence the shock.

Many of us had been lulled into a sort of coma because of the talk about "tax reforms" and all that stuff.

But, holy mackerel, if our tax bill this year is indicative of any "reform," don't bother. Please.

Of course, as we have been led to believe, one must always seek the silver (gold) lining in the dark clouds above us.

And all of us must agree that the tax bills can be classified as the darkest of the clouds.

After considerable soul-searching, and for what it's worth, we have found something that might be categorized as a bright spot in the overall tax picture.

It provides an outstanding conversational opener for any group.

All one has to ask is, "How much did your tax bill go up?"

And everyone is off and running.

In a sort of woeful manner, people begin to compare notes.

And generally you can find that someone else's tax bill went up more than yours.

That's some comfort.

Or is it?

STILL IN ALL THERE IS also some solace in the fact that within the Campbell city limits there is no utility tax as is the case in San Jose.

That 7½% job tacked onto one's utility bill amounts to considerable and, no matter how it is labeled, one has to still shell out the dough for the extra "service."

We don't imagine the utility companies are very happy about it either.

In most cases they have included notices with their bills that specify they didn't have any part of putting the extra charge into effect.

The problem becomes further complicated by the way the city limit boundaries of San Jose wind hither and yon.

Unless we miss our guess there are going to be some who will be billed for the tax who shouldn't be and there will be others who are missed who should be charged.

This came to mind when we received a little blue reminder with one of our utility bills explaining why the 7½% had been added to our bill.

We were all ready to raise the roof when in checking our bill we discovered that the 7½% had not been added.

All we received was the reminder.

But we ARE checking that bill more closely than we used to.

Maybe you should too.

NOW THAT THE ELECtion is over with, the office mail has dropped off considerably.

For months the post office box has been inundated with tons of urgent news (?) releases from the various headquarters of the various candidates.

Admittedly, much of the material that kept the mimeograph machines humming throughout the state did not finds its way into print.

However, we became accustomed to packing the stuff to the office and glancing over the blurbs before putting them

CITY COUNCIL RULES

White Oaks Road to stay open

White Oaks Road from Camden to Bascom will not be closed, at least in the foreseeable future.

By a 3-2 vote on Monday night the City Council ruled that not sufficient evidence had been presented to warrant the closure of the street.

The vote came at the end of a marathon public hearing lasting for more than three hours and attended by an overflow crowd which was commended by Mayor Dean Chamberlin for its orderliness during the record-breaking (for length) session.

The hearing on Monday, which got under way at 8:30 p.m., was the first step in the legal proceedings necessary in vacating a street, and during the evening more than 30 persons, including two attorneys, took turns at the microphone to present their views on the controversial question which had its beginning more than five years ago when the Division of Highways first suggested that the street be closed at Camden after the Highway 17 Camden interchange was modified.

Many residents on the street favored closing the street but strong opposition developed from industrial property owners off-Camden.

As a "compromise", Bill Wren, Campbell's public works director, suggested a double cul-de-sac near Redding primarily to separate industrial from residential properties.

And it was this "compromise" that was at bat Monday night which attracted the large throng of interested parties.

Petitions for and against the street closing played a big role in the background of Monday's hearing.

Originally the issue first came into focus on the city level when a petition signed by 92 residents on White Oaks presented to the City Council asked that the street be closed.

But on Monday night, John M. Chargin, former mayor of Campbell and a San Jose attorney, representing Paul Quintarrelli and Charles J. Ferroni, owners of industrial

Recall action

FIRST TO SIGN--Mrs. Jean West, of 91 Carlyn Ave., (on the left) becomes the first signer of the recall petition against Mrs. Eleanor Graham-Armstrong and Ralph Steinberg, trustees of the Campbell Union (elementary) School District as the drive to obtain 7,000 signatures got under way this week. Checking the time of the signature is Jim Rogers, of 3407 Cadillac Dr., Rosemary precinct chairman.

According to Ed Wood, of 411 Carlyn Ave., precinct chairman, scattering reports from petition circulators in the field, have exceeded expectations. Wood indicated that the main drive for signatures is now in full progress throughout the district with more than 100 petition circulators in the field representing the five (Monroe, Cypress, Rolling Hills, Campbell and Blackford), junior high sections of the district.

In the top picture more than 25 precinct workers for the Rolling Hills section meet at the home of Dr. and Mrs. Robert King to get final instructions before the "drive-for-names" begins.

OVERFLOW AT THE CITY HALL

School board meets Thursday 7 P.M. at Rosemary

Campbell Union (elementary) School District board of trustees will meet at 7 p.m. this Thursday (Nov. 12) at Rosemary School, 401 W. Hamilton, and another full house is expected at the performance.

As usual, the first act will be devoted to "communications." Nine letters have been listed on the agenda for the meeting and it is expected a number of late entries will expand the scene.

Most of the communications are expected to dwell on the current problems affecting the district. The nine letters on the agenda include three (Hank Mestice, Ken Burmeister, Dr. Robert King) from members of the Citizen's Advisory Finance Committee, whose group reported on the district's fiscal problems which triggered the current hassle.

Other letters listed are from John Merriell, former board member; Mr. and Mrs. James Gettins; Robert H. Wilson, Jr., and Forest Hill School PTA Executive Board.

There is also one from Frazier Dance Studio.

The Citizens Advisory Finance Committee is also listed under "old business" by Dr. Richard MacQuiddy, board president.

Other old business items include "bid procedures" by Trustee Judy Ruscigno; City of Campbell park program by Fred Peterson, acting administrative assistant and "family life education" by Jim D'Avis, acting superintendent.

Peterson is also down to report on the hiring of substitute employees and D'Avis on "use of administrators as substitutes."

The walking path at Rolling Hills and the NCR machine are scheduled to be reported on by C. E. Bradley, district business manager. Bradley is also down to report on the sewage charge from the City of Santa Clara.

Letter blasts recall action

Emphasizing that the recall of two Campbell Union (elementary) School District board trustees (Eleanor Graham-Armstrong and Ralph Steinberg) is not the way to go, a letter was being distributed this week asking potential recall petition signers to consider the adverse effects that the recall would have on the community.

The "letter" was a one-sheet mimeographed presentation on which 25 names were listed (with man-and-wife combinations a total of 38) asking the signers to please consider:

1. Recall elections are notorious for dividing communities and causing irreparable damage to life-long friendships.
2. Recall is a serious action which should not be entered into without knowledge of all the facts.
3. Each employee of the school district, including the superintendent has legal means at his disposal if he feels Board action is unjust. A recall election is no substitute for this action.
4. A recall election drains money from the school district that could be better spent in our children's classrooms. (Approximately $6000-$8000.)

Other than the letter, no information had been made available to The Campbell Press (at press time) as to what other action the group of citizens opposing the recall intend to pursue.

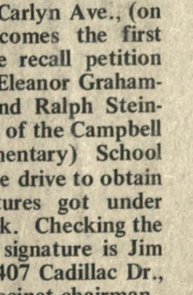
ON NEAL ROYER'S DEMOTION

How one man feels - - -

EDITOR'S NOTE: The Press believes that the following letter from Floyd Little, a highly-respected Campbell businessman, is worthy of front page notice.

It illustrates the concern of the citizens of this community in the current school district controversy highlighted by the action taken by a 3-2 vote of the school trustees which demoted Neal Royer, district superintendent since 1964, to principal.

Little, owner of the A and W Root Beer, 2145 S. Winchester, has long been a supporter of civic activities.....G.V.



FLOYD LITTLE

Dear Editor:

It defies my imagination, let alone my sense of fair play, that Mr. Neal Royer should have been treated so shabbily. I have known Mr. Royer for 18 years and he stands ten feet tall as a school superintendent.

What this country needs is more Neal Royers to withstand the onslaught of the new morality and "expediency-justifies-the-end" type of thinking.

With the many difficult situations facing the young folk, it was reassuring to have Mr. Royer at the helm.

Mr. Royer stands out like a beacon light in a troubled world.

Mr. Royer, I salute you.

Sincerely,
Floyd M. Little

MEMBERSHIP DRIVE UNDER WAY

Chamber of Commerce nominates 14 for eight positions on board

Eight directors for the Campbell Chamber of Commerce will be elected from the list of 14 nominees approved by the directors last week, according to Bob Bullard, CofC president.

Those nominated include: Norm Paul, co-owner of the Plaza Theaters and currently first CofC vice-president; Bob Cowan, Wells Fargo Bank; Al LaPlante, New York Life; Ralph Weymouth, Waddell & Reed; Phil Olivarri, Kilroy Pest Control; Bill McKee, PG&E.

Luis Ybarra, Sherwin-Williams Paint; Jim Baker, attorney; Bob Wilson, attorney; Michael Cahn, M.D.; Lowell Grattan, Sunrise Investment Co.; Bob Telleson, United Rent-All; Jim Steffenson, Steffenson Termite Control; Gordon Craig, United California Bank.

The annual installation dinner-dance under the chairmanship of Mrs. Jeanette Watson, a hold-over director, will be held on Jan. 22, 1971 at Villa Felice. Superior Court Judge Richard W. (Dusty) Rhodes will be installing officer. Tom Snowden will be the M-C.

The annual one-day (extending over four days) membership drive is under way this week with two teams with Bob Blonder (Barclays Bank) and Jack Reilly (Red Carpet Advertising) in the field.

Members of Blonder's team include: LaPlante; Bob Bullard, CPA and current CofC president; Jim Schafer, Colonial Savings; Tom Snowden, Snowden-Pencer; John Laws, New York Life; Dick Adams, post office; Ray Warner, Campbell Blue Print; and Joe Geist, Wells Fargo.

Reilly's team includes: Geri Steffenson, Steffenson Termite; Neal Royer, Campbell schools; Tom State, First National; Phil Olivarri, Kilroy Pest Control; Myron Alexander, realtor; Nick Roden, Pacific Telephone; and Ralph Weymouth, Waddell & Reed.

The returns of the membership drive will be tabulated at the Chamber of Commerce office between 5 and 6 p.m. Thursday, Nov. 12. Trophies will be awarded to the three top salesmen in the drive.

WE GOOFED!!

We goofed! The phone number for Mrs. Jan Mestice, district chairman for Campbell area recall committee was listed incorrectly in last week's paper. Mrs. Mestice' correct number is 378-0487.

Editorial

Democratic "tools"

It is interesting to note that in the Campbell area at the present time the citizens are having the opportunity to exercise two seldom-used tools that are part and parcel of the democratic system that most of us hold so dearly.

Although the two so-called "tools" are using two diametrically opposed approaches involving citizen participation, the fact remains that both means are part of the "system" or "establishment" that have been attacked so viciously in recent years.

We are referring, of course, to the first referendum election in the history of Campbell that will take place on Dec. 8 and the first organized recall movement in the history of the Campbell school district that is now under way.

As the name implies, a "referendum" is referring a measure that has been passed by a legislative body to the people for rejection or approval.

A "recall", on the other hand, gives the people the right of removal of a public official from office by a vote of the people taken upon petition of a specified number of qualified electors.

Signatures on the petition for recall of two school district trustees, Mrs. Eleanor Graham-Armstrong and Ralph Steinberg are now being circulated.

When the required number of signatures are obtained (20% of the registered voters or approximately 20,000) an election will be called.

Thus the recall election is dependent on the obtaining of the necessary signatures on the petitions that are now in the field. So the date of such an election cannot yet be determined.

In the case of the City of Campbell referendum, enough signatures were obtained on petitions to call an election and such an election has been scheduled for Dec. 8.

The electorate on that date will vote either to approve an action taken by a majority of four members of the City Council or to reject it.

The issue at stake is a zone change ordinance that was adopted by the City Council affecting a six-acre parcel adjacent to the Winchester Drive-in Theater. The theater, which owns the property, has been operating a two-screen theater on adjoining land for a number of years and the zone-change will allow the theater to put a third screen on the six acres.

The zone-change ordinance was adopted after countless hearings were held on the matter. It was the opinion of four members of the Council that a third screen on the property, which would be an extension of present operation, would be better utilization than any other development.

Access to the third screen would, of course, be part of the present operation. Whereas, if an apartment complex was placed on the land, access to it would be over a sub-standard road, which would compound the traffic problem for the area.

In addition, the four members of the Council were vitally concerned over the question of the right of an owner to develop his particular property, whether it's a theater or a residence.

The four councilmen emphasize that depriving a person of the right to develop his property could be conceived as a violation of one's constitutional rights and thus form a clear basis for a lawsuit against the city.

Thus, the four councilmen maintain, that should the electorate overrule the City Council in the referendum election, the taxpayers of the city must be prepared to pay the costs of a major lawsuit which could raise taxes considerably.

Opponents to the City Council action in this zone-change matter maintain, on the other hand, that the zone change is not in the best interests of the citizens.

They claim that the city's general plan, which specifies that the six-acres should be used for apartments, would be placed in jeopardy if the zone change is allowed.

They charge that the solution to the access problem should not be at the expense of the taxpaying resident and that the owner of the property was aware of the zoning when the acreage was annexed to the city.

The Campbell Press finds no fault with "referendums" or "recalls" because we feel that they are means that the electorate have at their command to make their feelings known to their elective representatives.

We feel, however, that the referendum for the city concerns an issue that unfortunately does not have a city-wide appeal. It is confined to one small sector of the town.

We think the charge made by some that, because of the Council's action in this matter, drive-in theaters could spring up all over town is a ridiculous assumption. We believe the action was taken by the City Council because a particular situation had arisen.

It was felt by four councilmen that they were acting for the best interests of the taxpayers and the community as a whole.

We believe the four councilmen acted conscientiously and their action should be upheld by the voters on Dec. 8.

carefully into File 13.

But the spigot was turned off abruptly on Nov. 3.

And, you know something, we sort of miss it.

It's like losing an old friend who has been calling on you regularly and then moves away.

We especially miss those "personal notes" from the candidates.

You know what we mean, those "Dear George" jobs from someone you have never met.

One we prize (?) most highly came from the state headquarters of one of the candidates.

It was addressed to the Campbell Press, 35 Dillon Ave...with this added notation on the envelope: "attention George Dillon."

That was one "Dear George" that really grabbed us.

We are still looking for this guy "George Dillon."

-0-

WHY THE DIP? THAT IS the question that many have asked about the construction that is taking place on Campbell Ave. under the freeway.

The freeway is being widened with two extra lanes, as most of you know, from Camden north. This has necessitated the widening of the overpass over Campbell Ave. and, consequently, Campbell Ave. is affected by the construction.

What has bothered those who traverse the street while the construction has been going on is the excavation that is taking place on Campbell Ave. underneath the overpass.

Campbell's main thoroughfare is being lowered considerably resulting in quite a dip in that particular spot.

We assumed that the lowering of the street was necessary in order to provide for utilities and stuff like that.

But that apparently is not the case, as we found out.

We went to Bill Wren, Campbell's public works director, to get the answer.

Bill even drew us a picture to explain it.

It seems that the freeway above Campbell Ave. starts to curve a wee bit there which, obviously, means that the highway is banked at that spot with the high point on the east.

When two new lanes were added it accentuated the bank and the low point brought the freeway too close to Campbell Ave. not allowing enough clearance.

Now you know and we know why the dip.

-0-

THAT'S NOT THE ONLY dip that Campbell Ave. has ever had.

Some of the old-timers (anyone who has been here 10 years) will recall that for years there was really a humdinger of a dip on Campbell Ave. at Winchester.

It was there to serve for drainage purposes and it was a real jimdandy..

Residents of the area who were accustomed to it would, of course, take the necessary precautions by crossing it at reduced speeds.

Unless they forgot about it at times.

But, man alive, how strangers to town used to complain as they would hit it going too fast and practically become airborn as a result.

The dip was eliminated when Winchester and Campbell avenues were improved at that point.

The improvement, some of you might recall, also eliminated the famous Roosevelt Redwood that was on the corner.

That redwood, for those of you who have tuned in late, was planted by President Theodore Roosevelt in 1904.

ON CAPITOL HILL

with "Charlie" Gubser

On next Monday the House of Representatives will reconvene for a highly unusual lame duck session of Congress.

While the political temperature will be far less feverish than when we recessed on Oct. 14, I have grave doubts that the post-election session will be productive. With the pressure from Senators standing for re-election who wanted to go home no longer a factor, the Senate probably will resort to its usual practice of droning on and on in unlimited debate until at least mid-December.

I have great respect for the United States Senate but, in all frankness, must state that the title "greatest deliberative body in the world" is a bit misleading. Unlimited debate is fine, but it is the rare instance where you find more than three or four Senators in attendance to hear it.

Senators are required to cover too many bases and serve on several committees. Frequently a committee hearing in the Senate will consist of one Senator and the committee staff. (This doesn't mean that Senators are absent. It does mean that they are shuttling back and forth between several committee assignments.) House members, on the other hand, usually serve on one, and in their fields of specialty have far greater knowledge than do Senators.

This is strikingly evident when a House-Senate Conference convenes behind closed doors to iron out the difference between House- and Senate-passed bills. Senate staff members are called upon to rebut knowledgeable House members and in some respects exert more influence on legislation than the elected Senators.

Because we specialize in the House and because the large membership of 435 requires limitation of debate, we manage to get our work done much faster. Most appropriation bills for the fiscal year which began July 1 were passed by the House and are still tied up in a Senate logjam. The Defense, Labor-Welfare, Foreign Aid, and Transportation programs are still operating on temporary resolutions and do not have a real budget.

Farmers who must plan their next year's crop are still waiting for a tardy Senate to act on a House-passed Agriculture Bill. The Farm Bill has been delayed by the unusual action of Senator Allen Ellender (D-La.) who caused the messenger carrying the House-passed bill to the Senate to be physically blocked from entering the Senate Chamber on Oct. 14.

One of the first major items of business when the House reconvenes will be the comprehensive Manpower Act, followed by the all-important Trade Act of 1970. Next we will consider the Federal-Aid Highway Act, the Consumer Protection Act and a "catch-all" appropriation bill.

The House, in its usual manner, will probably be finished with all major business by Thanksgiving. From then on we will sit and wait while the greatest deliberative body in the world continues to debate to a nearly empty Chamber.

properties, presented a petition containing 470 names of residents, property owners or taxpayers asking that the street remain open.

Chargin presented a lengthy oral argument for keeping the street open, which was illustrated by maps and drawings. He maintained that the traffic problem would not be solved by closing the street and submitted that it could actually be worse.

He claimed also that 59 of those who had originally signed the petition for closure had changed their minds and now favored the street being kept open.

The other attorney to take the mike was Lawrence Terry, representing the Dubcich family. He cited that traffic counts showed that there had not been any appreciable increase in traffic on the street for the past nine years.

Most of the others who went to the podium were residents of the area who vigorously expressed either their pro or con feelings.

Jim Johnson, of 1785 White Oaks, suggested that it was an environmental vs. economic issue.

Lead-off speaker for the evening was Robert C. Hanley, of 1160 Holmes, who took the mike at 8:30. He claimed the residents in the area were being sacrificed and that property values would be adversely affected if the street was left open.

And three hours later the last speaker had his say.

Mayor Chamberlin allowed all those who indicated they had something to say to take the mike with no limit on their time. For the "rebuttals," however, the mayor only allowed two minutes.

His rulings apparently met with approval from both sides, for there was little, if any griping.

When the hearing was closed, the individual councilmen briefly expressed their feelings and then acted on the motion made by Councilman Bill Smeed. In his opinion, not enough evidence had been presented to warrant the closing of the street and that was the reason for his motion.

Councilmen Ralph Doetsch and Ed Rogers voted with Smeed on the motion with Mayor Chamberlin and Councilman Bill Podgorsek opposed.

Apartment complex on Gale Drive receives City Council approval

A weary but still sympathetic City Council, after midnight on Monday, overturned a Planning Commission ruling and approved a 72-unit apartment complex on Gale Drive between Marathon and Darryl, despite the protests of a number of residents in the adjacent areas.

The hearing on the apartments was held after the Council had finished a 3½-hour session on the White Oaks Road closure issue when more than 30 people took the mike to make their views known.

The proposed apartment complex backs up to Fry's Market on Hamilton and is across the street from duplexes. The parcel is now zoned R-3 and the Council, in approving the plans, pointed out that the project met the city's conditions.

Residents from single-family homes in the general area wanted more parking areas for the complex and were also concerned over the increased traffic flow that the apartments would cause.

Harold Teren, of the Royal Development Co., the applicant, maintained that he had met all the city's requirements, had modified his plans and that the buildings would be an asset to the area.

In approving the plans by a unanimous vote, the Council specified shake roofs and extensive landscaping.

Among those present at the after-midnight session and speaking against the apartments were Bob Sneed, of 241 Victor; Bill Kellar of 891 Latimer and Ron Bynum, Ralph Murphy, John Krukak, Ken Janovitch and Mrs. Robert Tefft, all with Springfield addresses.

And then in the real late-late show, (from 1 a.m. to 1:30 a.m.) the Council overruled the Planning Commission on the proposed four-plex development for the former Gomes Ranch between Hamilton and Latimer.

The Planning Commission, although approving the tentative subdivision map for the property as submitted by McKeon Construction, had eliminated the access easements on the map.

The Council put the easements back in.

Planners act on new residential concept Monday

Patient residents from the Sunnyoaks-Virginia section of town are again expected to be on hand at the Planning Commission meeting next Monday, Nov. 16, when the commissioners consider the proposed development for 29 single-family units on the southeast corner of Sunnyoaks at Virginia.

Kunkel-Thomas, a construction firm, has applied for P-D (planned development) zoning for the area on which it is planned to build single family homes on lots that are less than the city's minimum standard. The firm claims it is a new concept in residential development on so-called "zero-lot-lines".

Previously the firm had been turned down on a duplex plan for the parcels. The new proposal has been continued by the Planning Commission.

In another matter before the Commission, Shell Oil Co. is asking for approval of plans for a service station at Bascom and Campbell.

Charles Carothers is asking for waiver of the overlay zoning requirement on property at West Valley Drive (off Union) and the G. C. Morgan Co. is asking for an extension of time on a proposed apartment complex at 350 Budd Ave.

It takes a lot of energy to serve Californians without "brownouts"

It takes more energy every day to support the quality of life we all enjoy. To meet this ever-increasing demand without "brownouts" or "blackouts" we must continue building new power plants and service facilities. We're investing $400 million in construction this year to do just that.

Nowadays even more energy is needed to help protect our environment—running such things as sewage and waste treatment plants, air pollution abatement systems, recycling processes and rapid transit. Further development of pollution reduction methods as time goes on will rely on this energy.

Clean, dependable natural gas and electricity are as essential for modern living comfort in a desirable environment as they are for jobs and a prosperous economy. We take pride in providing Californians that energy reliably, economically and with minimal intrusion on the environment.

Simulated crash activates drill

Five hospitals which serve this area—Campbell Community, The Good Samaritan Hospital of Santa Clara Valley, Los Gatos-Saratoga Community, Valley Medical, and O'Connor—participated in a disaster drill last week that was designed to test their efficiency in receiving and treating mass casualties.

"Victims" were volunteer students from Rolling Hills School who had been involved in a simulated crash on a Los Gatos hillside. They were made up to appear shocked and wounded, and they had been briefed on symptoms.

In addition to the hospitals, County Medical Society, Red Cross, local law enforcement teams, firemen, civil defense groups, and ambulance crews participated in the drill. After "patients" had been received and "treated" at the hospitals, each conducted a critique of the drill in an effort to improve their techniques in such emergency situations.

Concluding the day's activities was a session at the Red Cross headquarters in San Jose, where individuals representing the West Valley agencies and hospitals compared notes with those in other areas, who had staged their own disaster alerts.

DISASTER DRILL---Nurses working with Vicky von Kaenel, a "victim" in last week's disaster drill by local hospitals, is examined by two nurses at The Good Samaritan Hospital of Santa Clara Valley, Joan White, R.N. (left), and Patricia Ast. R.N.

County staff begins study to correct drug abuse problems

County Executive Howard Campen's staff has started work on a study of drug abuse problems in this County and the steps which should be taken to correct the situation.

Campen has been requested by the Board of Supervisors to make the study and report back to the board by mid-December so that the county can adopt a "drug abuse control plan."

A recent state law, A.B. 1990, requires all counties to make a study and submit a drug control plan to the state by Jan. 1.

Campen explained that his staff very shortly will be contacting the major private agencies now operating programs of this type for their comments and suggestions.

The County Office of Education and the Social Planning Council will assist with the study.

Campen's staff will be checking on the potential growth of the drug abuse problem, locations where it is most serious, the types of abuse, the services now available to deal with it, the objectives of present programs, where gaps exist in present services, and opinions and suggestions from people now involved in drug abuse control.

The County Executive has also directed all County departments working on the drug problem to supply his office with the same information on their efforts.

"After we analyze the information from both the private agencies and the County departments, a draft will be prepared for a recommended plan," Campen said. "This draft will be reviewed with the participating agencies and groups and a final draft will be submitted to the Board of Supervisors."

He warned, "This has to be done under a very tight time schedule, since the final draft should be submitted to the Board by Dec. 15 so that any changes the Board might make can be incorporated into the plan it must submit to the state."

There's More For You At SAFEWAY DISCOUNT!

There's An Extra Assurance Of Freshness On Safeway Open-Dated Perishable Foods.
Safeway Brands of perishable foods which we manufacture or process, carry dates to guide our store people.
For example: When the number "15" appears on the tab on a loaf of bread, our employees know the loaf is not to be sold at full price after the 15th day of the current month. This ensures that you are buying bread which will be fresh and good for several days in your home. (Loaves dated "15" are sold on the 16th only as "Leftover Bread" at a reduced price.)

On bread without this tab, the date is printed on a price seal at end of the loaf like this:

West Valley women hold Saratoga campus bazaar

WORKING ON THE BAZAAR--Faculty women and faculty wives of West Valley College are working on items to be offered to the public at their bazaar which will be held Friday, Nov. 20, at the Saratoga campus. Left to right are Mrs. William Mowett, Mrs. John Jorgensen, chairman, Mrs. Lee Lowery and Mrs. Mac Martinez, who hostessed the work day.

Faculty Women and Faculty Wives of West Valley College will hold their annual Holiday Bazaar on Friday, Nov. 20 from 7 to 10 p.m. in the Family Life Science Wing (rooms 41, 43 and 50) on the Saratoga campus of the college. The public is cordially invited to attend.

All net proceeds go to the Scholarship and Grant-in-aid Fund of the organization, to be awarded to deserving women students of West Valley College.

Mrs. John Jorgensen, general chairman of the event, has announced that unusual and unique holiday decorations and novelties, foods, gifts, pictures, plaques, candles, needlework, crafts, dried arrangements, and living plants will be offered for sale.

A silent auction will be held during the evening with the opportunity to bid on one-of-a-kind items. Complimentary refreshments will be served between the hours of 8:30 and 9:30 p.m. Mrs. Robert Fell is president of the organization.

Presentation Players

by Carol Valdivia

Presentation Players are in action again. Joanne Hussey is directing their fall production of "Streets of New York". This captivating melodrama centers around the plight of dear and engaging Lucy Fairweather, played by Erin Mulcahy, and the attempts of dashing young Mark Livingstone (Pat Coleman) to alleviate her woes.

But Livingstone's attempts are almost foiled by the cunning and beautiful Alida Bloodgood (Rosemary Mengo) and her even more treacherous father, played by Cyrus Charters. The lovely romance and high suspense of "Streets of New York" will be presented at the Saratoga Civic Theater on November 14 at 8:30 p.m. and November 15 at 2 and 8:30 p.m.

Musical direction is by Alena Willcoxon, with lights by Clint Moran and choreography by Meredith Boyd.

Accompanying the actors will be Liz Sota and Kelly Ryan on the piano. Don't miss this exciting and fun-filled event.

For more information or ticket reservations call: 258-5278 or 264-6019.

WINNING POSTERS?--Three Hazelwood students turn their talents to poster-making to publicize the school's pancake breakfast which will be held Sunday, Nov. 15 from 8 a.m. to 1 p.m. in the school cafeteria. Students making posters will have them judged by members of the sponsoring Home and School Club and will receive free breakfasts for winning posters. Seated, left to right, are Mike Loftus, Roger Pigg and Peggy Clancey. Overseeing are Ron Rydquist, Hazelwood vice-principal, and Ron Clancey, Home and School Club president.

Service club meets next week

Women's Service Club of Campbell will meet Wednesday, Nov. 18, at 1 p.m. in the home of Mrs. Everett Nelson, 911 Dry Creek Rd.

Speaker for the day will be Morton J. Mutnick, general manager of California Blue Ribbon Packing Co. of San Jose.

Co-hostesses for the day will be Mrs. Oliver Buehner, Mrs. Lawrence Quinsland and Mrs. Robert Luhdorff. Mrs. Lowell Besack is president of the service club.

Rosemary School holds book fair

Rosemary School will sponsor a student book fair from Nov. 17 to Nov. 19, from 9 a.m. to 3:30 p.m.

This event is sponsored by the Home and School Club, Mrs. Steve Siegel and Mrs. Howard Payne serving as co-chairmen. The committee includes Mrs. R. Pinkham, Mrs. J. Russell, Mrs. J. Rogers, Mrs. M. Belleville, Mrs. D. Mankamyer, Mrs. G. Horton and Mrs. R. Iida.

The book fair will include new books from many publishers in all popular price ranges. The committee is working with Educational Reading Service, a professional book fair company, to furnish an individual selection of books which will include classics, fiction, biographies, science, nature, crafts, reference, mystery and adventure stories.

On Thursday, Nov. 19, the Home and School Club will serve a chicken dinner in the cafeteria from 6:00 to 7:30. The library will be open during these hours so that parents may view and purchase books.

Reservations for the dinner must be in by Nov. 13.

Posters announce pancake event

Hazelwood School's annual fall pancake breakfast will be held on Sunday, Nov. 15. Breakfast will be served in the school cafeteria, between the hours of 8 a.m. and 1 p.m. The menu includes pancakes, ham, eggs, juice, milk and coffee.

Hazelwood students have been making posters to help publicize the event. All of the children's efforts will be submitted to a panel of judges, consisting of Home and School Club board members. There will be one winner from each class, and he or she will receive one free ticket for breakfast.

The Committee chairman are: Grills, Paul Handel; kitchen, Harry MacDonagh; tables, Karen Barry; clean-up, Ron Clancey, decorations, Barbara Pachoud, Shirley Oswald and Carol Raines; tickets, Ed Spehar; publicity, Roberta Loftus and Judy Hudson; and supplies, Pat Sullivan.

FEATURED SPEAKER

Mrs. John Dedinsky, civic affairs chairman for the Santa Clara County Parent Teacher Group, will speak to St. Lucy's Mothers Guild at their meeting in Kennelly Hall on Monday, Nov. 16 at 8 p.m. Title of her talk will be "If God Really Loves Me, Why Can't I Balance My Checkbook?"

BIG EYES

Triton Museum of Art in Santa Clara is exhibiting canvases of Walter Keane, the Bay Area artist who made the little waifs with the big eyes a household word. The exhibit will continue through the month of November.

Triton is open Tuesdays through Fridays from 12:30 to 4:30 p.m.; Saturdays from 10 a.m. to 5 p.m. and Sundays from 1 to 5 p.m. Special tours can be arranged for school groups.

Cheer - a - Dilli Square is title for church event

San Francisco has it's famous Ghirardelli Square and Campbell has it's second annual "Cheer-A-Dilli Square".

The "one-stop shopping square" will be the theme for a fun-filled, family-centered day on Friday, Nov. 20, from 10 a.m. to 8 p.m. at Campbell United Methodist Church, 1675 Winchester Blvd.

The boutique shops will be overflowing with items made in workshops which have been operating every week since July.

The Dilli Diner luncheon will feature chicken-ala-king, salads and a luscious dessert served from 11:30 a.m. to 1 p.m. Reservations are requested from the church office or a member of the sponsoring Women's Society of Christian Service.

A family-style spaghetti supper will be the "bill of fare" from 5 to 7 p.m.

Youth groups from the church are setting up a Kid's Fair in the education building from after school until 8 p.m., so the children can have fun before and after supper and while parents shop on the "Square". The choirs will have a Choir Corner Gift Shop, and the Wesleyan Service Guild, employed women of the church, will bake all kinds of holiday breads suitable for freezing.

The Campbell Methodist Parents' Pre-School is planning a mini flea market. It will be open all day in the education building of the church.

General chairman of the activity-packed day is Mrs. George Kemp, assisted by Mrs. Vernon Gring, co-chairman; Mrs. Lawrence Quinsland, tickets; Mrs. Earl Wight, workshops; Mrs. Charles Dewey and Mrs. Carlyle Norment, decorations; Mrs. Richard Hoyt, room arrangement; Mrs. John Boone, publicity; Mrs. Russell Briggs, pricing; and Mrs. Melvin Crable, babysitting.

Circle chairmen are in charge of booths around the square. Mrs. Richard Hoyt and Mrs. Jack Wygal, Nifty Noel; Mrs. Russell Bessom, Candy Box; Mrs. J.F. Moore, Pick-A-Dilli Plant; Mrs. Floyd Arnold, Daisy Boutique; Mrs. Malcolm Gaddis and Mrs. Robert Smith, Strudel Pantry; Mrs. George Miller, "9 to 99"; Mrs. Arthur Otley, Apron Alley; Mrs. David Huppert and Mrs. Ben Johnson, supper and Mrs. Joseph Synder and Mrs. Ralph Costello, luncheon.

The Kum-squat Coffee Shop will be open all day, serving free coffee. At 4 p.m. it will be converted into a Japanese Tea House, where visitors can meet and have tea with Keiko Matsuda, Campbell Methodist's International Christian Youth Exchange student who attends Campbell High School.

The W.S.C.S. invites all interested friends and neighbors to come and have "A Dilli" of a time on Nov. 20.

POSTER PASTERS --- Three ladies who are actively involved in the "Cheer-a-Dilli Square" which the Campbell United Methodist Church is sponsoring Friday, Nov. 20, plan to publicize their event with posters. Left to right, Mrs. Earl Wight, Mrs. George Kemp and Mrs. Vernon Gring put posters on one of the church doors.

GRANDPARENTS

Mr. and Mrs. Joe Alvarez, 3862 Via Salice, are the proud grandparents of a boy born to their daughter, Linda Rodriguez of Santa Barbara, a graduate of Campbell High, 1966.

The new grandparents report that Jon Joseph Rodriguez weighed 6 lbs. 7½ oz. when he was born Oct. 15.

Jaycettes plan rummage sale

"Trash and Treasure" is the title for the Campbell Jaycettes annual rummage sale which will be held next Wednesday and Thursday, Nov. 16 and 17 at 342 Campbell Ave.

Proceeds from the event will be used for the Jaycettes Christmas party for deserving Campbell children.

Current president is Mrs. Rich Kaylor. Mrs. Roger Hughes and Mrs. Tom Prebil are chairmen for the sale.

BRIGHT STAR

The star Rigel in the constellation Orion is estimated to be 50,000 times as bright as the sun.

BOOK WEEK CELEBRANTS ---Four children who attend Hillbrook School, 16000 Marchmont Dr., Los Gatos, examine some of the books which will be offered at the school's book fair, Nov. 17, 18 and 19 from 9 a.m. to 4 p.m. New books and gift items will be offered and the Middle School and Jr. High choral and drama classes will offer entertainment during the afternoons.

Students who toured Europe show slides

Two Campbell young adults who spent six weeks in Europe last summer are sharing their experience, via a slide program, with members of the Campbell Artists Guild at their meeting Nov. 19, 7:30 p.m. at the Country Woman's Clubhouse.

Linda Greenleaf, a senior at Westmont High School and Armando Delgado, senior student at Blackford High School, spent six weeks touring Spain, Italy, Austria, France and England under the auspices of the Foreign Study League, studying the comparative cultures of those countries, along with 188 other students from Santa Clara County.

The Campbell students visited Madrid, Rome, Paris, Salsburg and London during their tour and have prepared a slide program which they will narrate.

The Artists Guild welcomes interested members of the public to their meeting.

College appoints advisory group

Thirty-seven leading citizens of West Valley College district were appointed to the college's citizens' advisory committee Thursday night.

By action of the governing board half of the committee will serve a one-year term, while the other half will serve a two-year term. Five additional appointments to the committee remain to be made.

Those appointed to the committee (which has played a significant role in the past reflecting the wishes of the district's residents to the governing board) include:

Judge Bruce Allen, Myron Alexander, Evelyn Buck, Mary Eyington, William Cilker, Ruby Deranja, Gary DeRosa, Daniel Fields, Emmette Gatewood Jr., James Hartigan, Mrs. Charles Hayes, John Hernandez, S. G. Hernandez, Ellis Howard, Judge Joseph Kelly, Irv Lawrence, Ruth Lucier, Gerald Marshall, Evelyn McCabe, Ann Mirassou, Leon Poe, Gene Ravizza, Catherine Richards, Charles Rose, Vernon Rutlen, James St. Germaine, Winona Sample, Ruthadele Sarter, Cabby Sitney, George Soares, Albert Smith, Mrs. Pat Space, Jess Torres, George Vierhus, Jean Wagner, Thomas Wilberding and William Wilson.

CETA passes confidence vote

"The Board of Directors of Campbell Elementary Teachers Association representing 495 teachers in the Campbell Union School District has taken direct action," stated Herb Wadley, president of the Campbell Elementary Teachers Association, recently.

The Board of Directors on Nov. 4, voted in favor of the following motion: "The Board of Directors of Campbell Elementary Teachers Association gives a vote of confidence in the ability of the Campbell Union School District Board of Trustees to resolve the problems confronting the district and therefore we oppose the recall movement."

"This should set the record straight since our intent has constantly been an effort to help prevent the district from becoming divided" concluded Wadley.

WV vets collect canned foods

West Valley College's Veterans' Club has swung into action again and is now conducting a canned food drive to help needy families enjoy Thanksgiving.

Members of the club will be canvassing Campbell, Los Gatos and San Jose the weekend of Nov. 14-15 to collect donations from community residents.

The donated material will be distributed to families in the West Valley district the day before Thanksgiving.

Community residents who would like to help the vets in their endeavor are urged to call the student activities office at the college, telephone 379-1733, ext. 55.

KAREN MARIE BORDEN

Karen Marie Borden engaged

Mr. and Mrs. Eugene Borden of Campbell have announced the engagement of their daughter, Karen Marie, to Lester Roy Rollins, son of Mr. and Mrs. Perley Rollins of Nashua, New Hampshire.

Karen is a 1969 graduate of Prospect High School, and is presently employed by Western Electric Company in Sunnyvale.

Les, a 1965 graduate of Nashua High School recently completed four years of service in the Air Force. He is presently living in San Jose and is an employee of Puterbaugh Dental Laboratory as a lab technician.

A May wedding is planned by the couple.

Blood drive and fund for girls hurt in crash

Six Campbell girls who were injured in an auto accident which took the lives of the parents of two of the girls have been made the beneficiaries of a fund created by a Martinez man who assisted in pulling them from the truck in which they were riding.

Robert Ellis of Martinez has established a fund entitled "Medical Fund for Six Little Girls" at the Wells Fargo Bank of Martinez.

The girls, Lisa and Trudy Harrington, Dawn Harland, Kirsten Stewart, Susan Cashman and Julie Kongshoy were returning from a Girl Scout outing in a truck driven by Carl Harrington of 72 Shelley Ave. Harrington and his wife, Dorothy, were killed when another auto collided with the truck, which burst into flame.

Four of the girls, Dawn, Kirsten, Susan and Trudy, have been hospitalized since the accident which occurred Oct. 25 near Martinez.

Neighborhood 41, Girl Scouts of America, has elected to help these hospitalized (members of Neighbor 13) by sponsoring a bloodmobile which will be parked at Church of the Chimes, 1447 Bryan, San Jose, on Thursday, Nov. 12, from 10 a.m. to 2 p.m., according to Mrs. Joyce Kennedy of the Girl Scout office. The sponsors are in need of volunteer help for the day, as well as blood donors.

For information about the blood drive, contact Bobbie Caplan, 266-3051.

CAMPBELL RAbLE

By Dawn Stoudinger

Have you ever been backstage on dress rehearsal night of a school play and seen the excitement, anxiety, tension and nervousness of the people involved? Let me tell you that you could never imagine all the work, effort and emotional strain on the people of that night.

This is what I had a glimpse of at the dress rehearsal of the senior play called "The Mouse That Roared," which debuted last Thursday and Friday nights at Campbell High School's auditorium.

People were working all over the stage doing the jobs just the way they're supposed to, to make everything run smoothly. You have a stage manager (Terry Bullian), a curtain man (Tim Whyte), lighting man (Steve DeOrnellas), people changing the scenery (mainly the cast themselves before their own scene), a sound effects man (Mike Powers), and the most important of all, a director of the play (John Hall).

The stage manager makes sure to check with the lighting man that the lights are set just right and that the people whose scenes are going on, are all ready to go, on their cue and whether or not they're on the right side of the stage, and so forth.

The prompters make sure that they are where they're supposed to be in case one of actors forgets or becomes confused with his or her lines.

The curtain and lighting men have to make sure they have their cues to pull the curtains when they're supposed to, or dim, shut off or on the lights and many more things than what I could have ever absorbed in such a short time.

Like that of the curtain and light men, the sound effects man must have his cues down perfectly to have the effects come across to the audience.

The drama director must always be watching for, checking and giving the students the benefit and advice of his many years of experience in the theater.

Then besides the cast trying to remember their lines, putting on make up and costumes, nervous and excited, they change the scenery fast, quietly and efficently in that small pause during the closed curtains.

I'd like to introduce the members of the cast. Jeannie Triana and Rob Anderson had the leads in the play. Jeannie was the Duchess Gloriana and Rob was Tully Bascomb.

Then there were Ruben DeLaPena, Ken Hegstrom, Barbara Williams, Jeri DeOrnellas, Sue Leiko, Peggy Staneart, Robin Curtis, Shelia Miller, Marlene Strange, Steve Brown, Joe Amadeo, Debbie Nelson, Rick Harris, Howard Rogers, Tony Saporito, Don Harris, Tonisue Fagundes, Annette Bianchi, Jeff Wilson.

Larry Tawil, John Buzzetta, Joan Levandowski, Cindy Cram, John Riley, Cynthia Mesquita, Abbette Hansen and Wilma O'Quinn.

Helping backstage was Pat Powers and Kevin Gray besides the others working the lights and so forth.

So the next time you decide to criticize a play or show of any type just remember what all these people went through to try to entertain you and to make you feel like you were actually living the parts with them.

DATE CHANGE

"Festival of Life" a folk musical "happening" at Del Mar High sponsored by Interact class has re-set the date of the event to Wednesday night, Nov. 25, 8 p.m. The program was previously set for Friday Nov. 13. Proceeds from donations will go to "causes favorable to an improved environment.

DEL MAR PARENTS

"Back-to-School Night" at Del Mar High is next Wednesday, Nov. 18, from 7 to 10 p.m.

Campbell man participates in army airlift

Army Private Jeffrey G. Cocking, 20, son of Mr. and Mrs. Paul D. Cocking, 3985 Via Cristobal, Campbell, was airlifted recently from Campbell Army Airfield, Ft. Campbell, Ky., to Germany, to participate with approximately 11,000 troops in exercise Reforger II.

Upon arrival in Germany, his unit, The 34th Transportation Company from Ft. Campbell, picked up combat gear and vehicles and departed to the exercise site near the Czechoslovakian border.

The 34th served as a support unit for the 1st Infantry Division from Ft. Riley, Kan., which was opposed by aggressor forces from the U.S. 3rd Infantry Division, regularly stationed in Germany, and the German 35th Panzer Grenadier Brigade.

Reforger II was designed to test the U.S.Armed Forces' ability to partly defend western Europe from stateside bases. A similar exercise, Reforger I, was held in Germany in January 1969.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

WHEREAS, County of Santa Clara has acquired for highway purposes certain real property no longer needed for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof as fully as if set forth at length herein,

NOW, THEREFORE, be it resolved, that pursuant to the authority of Section 960.4 of the Streets and Highway Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Twenty Four Thousand Dollars ($24,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, Escrow No. 149513. The successful bidder may close the transaction through this escrow if so desired at such title company. A copy of such preliminary title report is available for inspection at the title company.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, made out to the order of the County of Santa Clara in the amount of Two Thousand Four Hundred Dollars ($2,400.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County and the bidder must designate in such bid which payment option he has chosen. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be in the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the offeror on a form provided by the County and indicating therein which payment option has been chosen.

No commission shall be paid unless there is contained in or with the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced to writing, states in or with such written document the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral) or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. Any sale may be cancelled at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days of the date of acceptance of the bid by the Board of Supervisors, the successful bidder shall (a) increase his deposit to twenty-five per cent (25%) of the amount of the bid in favor of the County of Santa Clara, and in addition, (b) deliver a cashier's check, certified check or the equivalent in an amount of the Real Property Transfer Tax payable to the County Recorder of the County of Santa Clara.

7. Upon receipt of the additional deposit and payment required in paragraph 5, the successful bidder may, in the alternative, meet either of the following terms:

(a) The balance of the purchase price to be paid in the form of cash, certified check, cashier's check or the equivalent in the sum of seventy-five per cent (75%) of the amount of the bid, payable in escrow within ninety (90) days after the date of acceptance of the bid by the Board of Supervisors; or

(b) The balance of the purchase price (seventy-five per cent of the amount bid) to be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee or obligee, such evidence of indebtedness to be secured by a first deed of trust (as a first security interest) covering the entire parcel being sold. Such note shall bear interest at the rate of seven per cent per annum to be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon receipt by County of all documents and money provided for in (a) or (b) above, and upon the recordation of such deed of trust, County shall record a deed in favor of the successful bidder.

8. Until the execution of and delivery to the successful bidder of the deed, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to increase the deposit or furnish the Real Property Transfer Tax provided for in paragraph 6 above, or a failure to comply with the provisions of paragraph 7 or any other provisions of this resolution shall give County the option to terminate the sales proceeding and retain from such deposit any and all expenses incurred by it and attributable to such sale proceedings.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and Real Property Transfer Tax shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the Board of Supervisors for the sale of the property, and only after recordation of the deed. Such commission shall be paid as follows: Three per cent of the purchase price to the licensed real estate broker submitting the highest acceptable sealed bid and three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that January 20, 1971, at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., January 20, 1971, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Clara, State of California, on October 20, 1970, by the following vote:

Trustees adopt salary schedules

Superintendent Richard L. Davis announced that after months of meeting and conferring with employee association representatives the Board of Trustees at their Oct. 27 meeting adopted 1970-71 salary schedules for all district employees.

The 1969-70 teachers' schedule began at $6,800 to $13,254 at Step 11; the new schedule has a starting salary of $7,000 to $14,000 at Step 11, an average increase of 5.1%, with career increments of $40 per year beginning at Step 12 through Step 25; the $350 for holders of the Master's Degree is unchanged.

District administrators were increased by 5.6% and classified employees by 5%. The increase in the cost-of-living index for a comparable period was 5.1% All schedules are retroactive to July 1, 1970 and the total cost of increases is $264,118. Substitute salaries were increased to $27 and $29.

Fully paid hospital plan for employees and their families and a dental plan paid for employees continue this year.

Letters to the Editor

ON "PREJUDICES"

To the Editor,

Thank you very much for allowing me to air my "prejudices" by printing my letter in full in the Oct. 21 Press.

I don't mind being taken to task regarding my feelings as you did in "Out on a Limb" on Oct. 28. What did bother me was that you chose to pick out the smallest and least important portion of that letter to comment on.

If you will recall (there's that word again), I asked people to please make themselves aware of the situation and begged the public not to take the word of a neighbor or form an opinion on the basis of attendance at one or two meetings.

I was appalled to hear several "concerned citizens" who HAD formed their opinions ("I went to my first board meeting last night—", etc.) at the recall meeting of Oct. 23 at Rosemary School. So I guess there were others who ignored my suggestion.

And now to answer your remarks to me, Mr. Vierhus.

My reasons for remonstrating your actions at the Oct. 8 meeting were borne out in Mr. Wadley's letter regarding your credibility. I, too, am guilty of searching your news items with a fine-tooth comb because I KNOW your feelings so well!

You may intend a factual report, but the innuendoes and double entendres may be found.

(1) Compare these opening sentences of two articles to see if you are not immediately made aware of your prejudice:

(Sept. 30) "A split vote (2-2) last Thursday night defeated a motion by Trustee Judy Ruscigno which would have removed Dr. Richard MacQuiddy as president of the Campbell Union (elementary) School District board of trustees."

You SEEMINGLY imply that the deed was all but accomplished except for the absence of one member (noted later) who could have broken the split to Mrs. Ruscigno's favor.

(Oct. 14) "Without warning or explanation, Neal Royer, superintendent of Campbell Union (elementary) School District since 1964 was demoted to principal last Thursday night by a 3-2 vote of the trustees."

How much more menacing you made THIS action appear. Why was it not mentioned that the motion against Dr. MacQuiddy was made "without warning or explanation"?

(2) In the same Oct. 14 news article you stated: "MacQuiddy made the motion,—, just as he finished his "defense" of the charges made against him in a letter from Trustee Judy Ruscigno in the Sept. 24 meeting." Your quotation marks around the word DEFENSE imply "that is HIS word but not MINE."

(3) It was duly noted that Mrs. Ruscigno's motion for the "bonus" for teachers "lost by a 2-1 vote (Steinberg and MacQuiddy abstained) with Mrs. Graham-Armstrong opposing." Why was the vote of the board not recorded on the other reported motions brought before the board:

$10 furnace repair: Passed 3-1, Mrs. Ruscigno opposing, Mr. Gilliland abstaining.

Broken-leg piano: Passed unanimously.

Disability insurance program: Passed unanimously.

Family Life Education Curriculum Program: Passed 4-1, Mrs. Ruscigno opposing.

I have others but space prohibits listing them all.

I wish to compliment Sally Howe on her very factual reporting on the Oct. 22 board meeting and the Oct. 23 recall meeting. Please consider seriously sending Mrs. Howe to report on the future meetings.

Dorothy Mitchell

ON CITY FRINGES

Dear Mr. Vierhus:

In your "Out on the Limb" column on November 4, you expounded on the fringe benefit situation in the City of Campbell. It is true that employer-paid fringe benefits add up to a sizable amount, in both city government and private industry. As an example, Lockheed's cost for fringe benefits, over and above the payroll, is approximately 30 percent of the payroll.

Your column states that it costs the City about $341,000 over and above the payroll costs for fringe benefits. That is in error. The fact is, the City pays only about $65,000 for miscellaneous employee benefits and about $146,000 for police and fire employee benefits "over and above" their salaries. These add up to about $211,000 which puts the fringe benefit costs, over and above payroll, at only 17 percent of the payroll...substantially less than the private industry fringe costs.

The $130,000 difference between our figures and yours is accounted for by the fact that vacation and sick leave for all employees, and holidays for miscellaneous employees, are not a "cost" to the city. If and when an employee uses these items, their "value" is included in the employee's base pay. He is not paid extra for them.

I hope this will help clarify the situation and erase the misconception left by your column.

Yours truly,
David N. Valkenaar,
Past President, Campbell Municipal Employees Association.

LETTER OF APPRECIATION

Dear George:

On Saturday morning, Oct. 24, over sixty persons joined together to plant some 500 trees along the San Tomas Expressway from Budd Ave. to Williams Rd. Civic officials, service club representatives, and youth groups worked side by side in this meaningful project as did just interested citizens who came because they cared about our environment.

To all of these people, the Campbell Citizens for Beautification wishes to express their sincere thanks for a job well done. Without these volunteers who contributed their time and effort, the job would not have been done.

We especially want to recognize the youth groups from Rolling Hills Ecology Class, Campbell High Ecology Club, Girl Scout Troop 855 and Boy Scout Troop 375. We are proud of your efforts and wish to commend you for the interest you are showing in planting today for a better tomorrow.

To all our planters we say keep up your enthusiasm and interest. Your work will be viewed by many in the years ahead who will appreciate what you did one sunny, crisp October morning.

Jeanette Watson
Chairman, Campbell Citizens for Beautification.

CITY PAYROLL

Dear Mr. Vierhus:

In your "Out on the Limb" column of Nov. 4, the following was stated in reference to city employees wages and fringe benefits:

1) The city payroll is approximately $1,244,000, and 2) "over and above this figure"...."it costs the city about $341,000 in benefits," 3) "That amounts to about a third of the payroll."

We take the position that the aggregate cost for all city employees above their base salary for fringe benefits is $211,000, not $341,000. The correct figure would be approximately 17% above base salary, which is substantially lower than the 30% fringe benefit worth found in private industry.

The confusion seems to be in attributing additional costs to the city when an employee is on vacation or is not at work due to sickness. He does not receive additional money during this time, therefore there cannot be additional costs to the city unless the employee is replaced which seldom, if ever, occurs.

Respectively,
Gerald A. Eller, President

United Fund ends drive tomorrow

Results of a last minute push to increase individual giving to the United Fund campaign in Campbell will be public tomorrow as the 12th annual county-wide drive ends.

To date Campbell contributions to the United Fund drive total $43,726 or 77 per cent of their goal.

United Fund President James B. Wiesler, regional vice-president for Bank of America, reported at the last campaign report meeting on Oct. 26 that corporate contributions to the 1970 drive were running $75,000 behind last year. Emphasis was placed on individual donations to take up the slack.

During the last county-wide campaign report meeting, UF volunteers were 55 per cent of their target of $3,684,101.

Wiesler attributed the down trend in corporate gifts to decreased profits resulting from business cut backs.

Local campaign chairman Ed Fabbri, manager of Bank of America here, has urged his campaign team to intensify their efforts until all their accounts are in.

"Without this minimum financial muscle for 1970," said Fabbri, "the ability of the United Fund to continue its current level of support to agencies will be at a critical stage."

Wiesler urged every potential giver to consider extending "fair share" support to the United Fund at his place of employment.

Individuals not contacted where they work are asked to consider making a direct contribution to United Fund, P. O. Box 2, Santa Clara, 95052.

Lt. R.A. Munger wins AF wings

Second Lieutenant Robert A. Munger, son of Mr. and Mrs. Alfred Munger, of San Jose, has been awarded U.S. Air Force silver pilot wings upon graduation at Williams AFB, Arizona.

Lieutenant Munger is being assigned to March AFB, Calif., to fly the KC-135 Stratotanker aerial refueling aircraft with a unit of the Strategic Air Command.

He attended the University of Maryland Far East Division in the Republic of Korea and Eastern New Mexico University at Portales.

The lieutenant received his bachelor's degree in business administration from the University of Arizona in 1969 and was commissioned later that year upon completion of Officer Training School at Lackland AFB, Tex.

His wife, Judy, is the daughter of Mr. and Mrs. Beryl Garcia, 287 N. Milton Ave., Campbell.

Turkey time is just around the corner and I have received several announcements of turkey shoots using darts. The only one of interest here in the Campbell area is the one to be hosted by Frank and Lynn Malsbury of the Lancashire Lad, 15797 San Jose Ave., Los Gatos. The Saturday night, Nov. 14, turkey shoot will be run the same way as the regular Saturday night dart tournaments.

Frank will have special prizes for the ladies and non-team dart throwers. This way those people that hesitate because they don't shoot darts regularly still have a chance to walk away with some of the loot. I think Frank was smart in doing this as it should help create more interest in darts.

The Lockheed intra-departmental rivalry continued last Thursday at the Gaslighter Theater, 400 E. Campbell Ave. The match ended in a 6-6 tie. Department 8283 still has a four game lead over department 8281 by virtue of their 8-4 win the previous week.

In darting we are always talking about the high in, high out and high score, but last Wednesday night a new low was reached in darts. Ed Silvera of Banbury Clock II managed to get only one point on three darts. After this appears in print, Ed, who also manages the Banbury Clock in the San Jose Inn, will probably have this reporter 86'd. The best I can expect is to get slipped a "mickey" or get tripped as I go down stairs.

The South Bay League of the Northern California Darts Assn. is a tighter race than ever. After last Wednesday's play, Lancashire Lad I and Banbury Clock I have tied for first place with 37 wins each moving up from third and fourth place respectively.

Gaslighter Theater I is next with 36 wins followed by the Scuttlebutt, who dropped from first place, with 35 wins. Three games separating the first four teams.

The most important battle was the one between Lancashire Lad I and Scuttlebutt. Dave Ingols started things off for the Lad by defeating Paul Schultz. Then Butt team captain Jack Mehtala beat Lad team captain Eric Branthwaite with 111 out. The Lad took the next two with the Butt's Doug Edwards winning from Des Banks before the team game. The Lad took the team game and the next four giving up the last two to the Butt for a final score of 8-4.

Eric Branthwaite and John Forbes had high scores of 140 with Ray Hingston shooting a 125, and Dave Ingols and Don Rhodes both shooting a couple of tons (100's). All of these gentlemen shoot for the Lad I team.

While Lad I was moving into first place, Lad II was being soundly defeated at the hands of Banbury Clock I. The 10-2 defeat allowed the Clock I to tie the Lad I for first place.

The Clock II fought a valiant battle with Gaslighter I ending in a 6-6 tie. Dick Snyder of the Clock shot a brilliant 105 in and followed it with a ton.

High scores were Kip Fanjoy of the Gaslighters with a 132 and Phil Kelly of the Clock with a 125. Phil also had a 71 in and a 52 out. Ben Macredes had the high out 68.

The Campbell cross-town rivalry between the Black Knight and Gaslighter Theater II saw the Knight emerge victorious 7-5. The Gaslighters lost the first five games coming back to win both team games and three singles games in the second half.

Tom Carroll of Gaslighter II had high score (116), high in (93) and high out (72). Jim "Robb" Robbins was the only other shooter to break 100 (112).

GRIDDERS BATTLE DeANZA

The West Valley College football squad boasts an 8-0 season record, a 4-0 Camino Norte Conference standing, and has maintained a spot in the state's top ten for the entire season. The 1970 squad has broken most of it's school records, now has sole possession of first place in the CNC, and has come from behind to win two big games this season.

But now they have come to the game that the whole season was played for—West Valley vs. DeAnza at Buck Shaw Stadium Saturday night at 8 p.m. Now all that has happened before is just history.

The Vikings and Dons battled for the CNC crown in the season finals last year with DAC outscoring WVC but losing by forfeit because of ineligible players. The Dons will be out in force to prove they have what it takes to win a conference crown while Valley hopes to show everyone what kind of champions they really are.

"DeAnza will be real tough," outlooked Vike head coach Bob Jones. "They'll probably be even with Santa Rosa." WVC downed top-ranked Santa Rosa last Friday night 42-21 but had to come from behind after being down 21-19 at the half.

GROUND GETTER

Andy Morris, a Campbell High grad, bouncing back after injuries had him on the bench for most of the last five games, was Valley's top ground getter with 62 yards on 11 carries and two touchdowns. But the game was won in the air. Sonny Brasile, (Mitty), connected on nine of 17 aerials for 246 yards and three td's.

Four of the tosses went to Mike Hodgins, Buchser, for 121 yards and two of the scores while the other five went to Scott Loomis, (Saratoga), for 125 yards and one tally.

After trailing 21-19 at the halftime break, the Vikings returned to the field to play football. A 41-yard pass to Loomis gave Valley it's first score of the second half early in the fourth period.

A Tery Semon, (Leigh), pass interception and 47 yard return gave WVC the momentum they needed. The last score hit the boards with 3:12 left to play as Morris bulled over from the one.

POLOISTS IN TITLE TILT

Three WVC fall athletic squads are fighting for titles this weekend. The Viking footballers battle DAC Saturday night, the Valley cross-country squad takes on Santa Rosa on Friday afternoon, and at 3 p.m. Friday the Vike water-poloists challenge the DeAnza Dons at their Saratoga pool.

The water-polomen have probably gotten the least publicity of any squad in a title bid season. WVC and the Dons, who have each beaten the only other team in the conference, Marin, will splash for the CNC crown prior to the West Valley bon-fire rally at the 'Toga campus.

"They're a very basic team," commented Vike coach, Gene Nyquist of DAC. "They don't do anything too fancy. I saw two games where they had good leads at the half and ended up losing. They are quite beatable."

Kim Parara, Keith Ogles, Carl Boles, and goalie Stan Jensen, a Westmont High product, were cited by Nyquist for their performances of late.

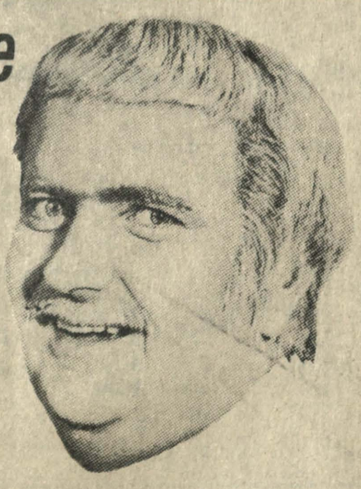
A Personal Message To All Parents From CAPTAIN KANGAROO©



"Christmas is not too far away, and it's time to think about that one wonderful present your boy or girl will want for Christmas--a brand new Schwinn Bicycle. To make sure that your boy or girl get just the bike they want, why not drop in on my good friends, Bill, Paul and Jerry at the Wheel-Away Cycle Center? They'll be glad to layaway the bicycle you want, and they'll keep your secret until Christmas."
